

Cameo's Continuation of Learning following contract closure.

Introduction

Policy

Cameo undertakes to complete every learner programme started under a sub contract to supply training services.

Exceptions

The lead contractor is in breach of contract by for example, withholding payments with no justifiable reason.

In this case every reasonable measure will be taken to ensure training can continue by negotiation. Although Cameo will attempt to complete in this case, the lead must accept ultimate responsibility.

Force Majeure

Cameo ceases trading – in this case we will take all steps to ensure all outstanding obligations are met including:

- Assisting the lead contractor to complete the programme
- Locating a suitably qualified assessor to be employed by the lead
- Contributing an agreed amount to the lead to help defray any additional costs incurred.
- Locating an alternative provider with the capability of completing.
