

cameo

Apprenticeship:	Hardware/Helpdesk
Location:	Ipswich
Pay:	£3.70 per hour (regularly reviewed)
Hours:	Mon-Fri 9:00 – 17:30
Expected education:	GCSE's Grade C and above
Application Deadline:	Ongoing

The Organisation

This local company offers high quality IT Support and Solutions to Small to Medium sized businesses. A small friendly professional team.

The Role

Training to become an IT Technician whilst working towards a qualification. The Apprentice IT Technician will be involved with all aspects of the business focussing on Technical and Customer Service based elements of IT Support.

Your duties will involve:

- Assisting with the helpdesk
- assisting with building, preparing and repairing IT equipment
- assisting with IT installations and projects both in the office and onsite

The Right Candidate:

- Excellent Attitude
- Genuine interest and aptitude in IT as a career
- Good time keeping

Training:

Excellent training leading to achievement of a new digital apprenticeship award:

Infrastructure Technician (A Level equivalent) comprising:

- Business Processes - British Computer Society
- MTA: Cloud Fundamentals - Microsoft
- MTA: Networking Fundamentals - Microsoft
- MTA: Mobility & Devices Fundamentals - Microsoft
- MTA: Programming Fundamentals - Microsoft

Following completion of the apprenticeship, it is expected that the successful candidate will be offered a full time job at the company. You will also be eligible to apply for listing on the British Computer Society's new professional technician register (RITTech).

Other Opportunities:

We currently have apprenticeship opportunities with both and small/medium organisations in Ipswich.
