

cameo

Apprenticeship:	Apprentice Web Services developer
Location:	Hadleigh
Pay:	£3.70 per hour
Hours:	37.5 hours/week
Expected education:	6 GCSE's at grade A-C
Application Deadline:	Ongoing

As an IT apprentice, you will learn how to develop and deploy innovative web based solutions, using technologies such as HTML5, CSS3, FLEX/AS3, JAVA and C#.

This is a dream job to someone who has a genuine passion for cutting edge web site development. It is expected to lead to a permanent career in this rapidly expanding local company. We are keen to recruit the very best candidate and to be successful you will need to evidence a real interest. Ideally, you will be able to point to a web site you have constructed.

Personal qualities

- strong academic skills
- Enthusiasm
- Team Player
- keen interest software design

We anticipate the successful candidate will possess at least 6 GCSEs, including maths.

Training

L3 BTEC Certificate and Diploma in ICT. The Diploma will include the following Microsoft Certifications:

Microsoft Technology Associate:

- Web Development Fundamentals
- Networking Fundamentals
